Strike King Ever-Bloom Trail Rules

The following rules will be used for the Ever-Bloom Tournament Trails. These rules will be interpreted solely by the tournament board (all directors and Ever-Bloom Staff) and their decision is final. Tournaments will be on Evergreen Lake and Lake Bloomington. Lake Evergreen events will be out of Comlara Access. Participants must park on second tier parking for these events. Lake Bloomington events will be held at Lake Bloomington ramp. Parking for this event should be in south end of lot. NOTE: It is each participant's responsibility to know the rules.

1. **ELIGIBILITY:** An entry form is mandatory for each event fished and must be completed in full and signed by both the boater and partner (or substitute). NOTE: Entrants from prior years have priority for current year events but must pay \$75.00 deposit before March 1 to secure their spot. Entries will be opened up for remaining spots on March 2.
2. **AGE REQUIREMENT:** Anglers under the age of 16 may compete as long as their partner is at least 18 years old and has a valid drivers license.
3. **MEMBERSHIP:** Ever-Bloom tournaments are open to all. No membership dues are required and the first 25 teams accepted will maintain their spots until they cannot participate. Nonparticipation in any event could cause loss of spot.
4. **LICENSE:** BOTH team members must hold a valid fishing license for the water where the tournament is being held, regardless of age.
5. **ENTRY FEE:** The division fished determines the entry fee of \$75.00 per team. 100% payback. Entries must be paid in CASH. No checks allowed.
6. **ENTRY FEE DEADLINE:** All entry forms must be received via email to TBrown1956@aol.com or US Mail at 604 South Blair Drive, Normal, Illinois 61761 on the Wednesday prior to the tournament date by 3:00 p.m to secure a spot. This is to make sure waivers are signed, as well. Payment can be made at the ramp for the event.
7. **LATE FEE:** There will no late fee.
8. **CREDIT CARD PAYMENTS:** None accepted, cash only.
9. **REFUND:** A refund or transfer to another tournament date may be requested in the event a team cannot participate in a tournament it has entered; however, the request must be made before the Wed. 3:00 deadline.
10. **SUBSTITUTES:** Any team may use a substitute if one of its members cannot fish a given tournament. The Ever-Bloom staff prior to take-off must approve any substitute. Two substitutes will be allowed per team, per division, per year. You may fish alone but the same entry fee applies.
11. **BOAT NUMBERS:** Only those teams that have prepaid prior to the deadline are eligible to draw for take-off position. Late entries will take-off after the drawn numbers, in the order in which they are received.
12. **FISHING HOURS:** Tournaments will run from 6:00 am (the ability to run a water craft safely under power with visibility of 1/2 mile or more) until 2:00 p.m. unless regulated by a government agency.
13. **PRE-TOURNAMENT INSPECTION:** All teams must check-in at the official checkpoint for live well and kill switch inspection prior to take-off.
14. **TYPE OF FISH ELIGIBLE:** Largemouth, Small mouth, and Kentucky Spotted bass will be counted.
15. **LIVE WELL:** All boats must be equipped with a live well capable of re circulating and/or aerating the live well water. No stringers, ropes, or other devices other than a working livewell are acceptable.
16. **TOURNAMENT LIMIT:** No more than a tournament limit of 5 bass will be allowed in a team's live well at any time (unless other state or local restrictions apply). Frozen, iced, or mangled fish presented for weigh-in will result in immediate disqualification.
17. **OFFICIAL TOURNAMENT LEGAL LENGTH:** The official Ever-Bloom tournament legal length limit is 15". Every effort will be made to make sure fish are given every opportunity to measure but short fish will result in a 1 lb penalty.
18. **OFFICIAL WEIGH-IN:** The Tournament Director will announce when fish may be taken from the live well. Ever-Bloom will supply weigh-in bags. No team is allowed to use their own bag. At least one team member must be present during weigh-in to verify weight and to SIGN, NOT INITIAL the weigh slip. Once the team has presented their fish for weigh-in and has deposited the fish in the "bump tub", no one will be allowed to handle the fish except for an Ever-Bloom staff member.

20. **WEIGH-IN SLIPS:** Weigh-in slips are the responsibility of the team. You will not be allowed to weigh your fish if you do not have your weigh-in slip or official weigh in sheet maintained by Tournament Director.
21. **DEAD FISH PENALTY:** It is the team's responsibility to make every effort to keep its bass alive. A one-pound penalty will be deducted from the total weight for each dead bass presented for weigh-in. A DEAD BASS WILL NOT BE ELIGIBLE FOR BIG BASS AWARDS.
22. **TIES:** All ties will be broken by largest fish caught, then by the number of fish caught, and finally by the lowest boat position (lowest being boat #1).
